About Us

Partnering With You On Land And Sea

- Who Are We?

- What is Our Mission?

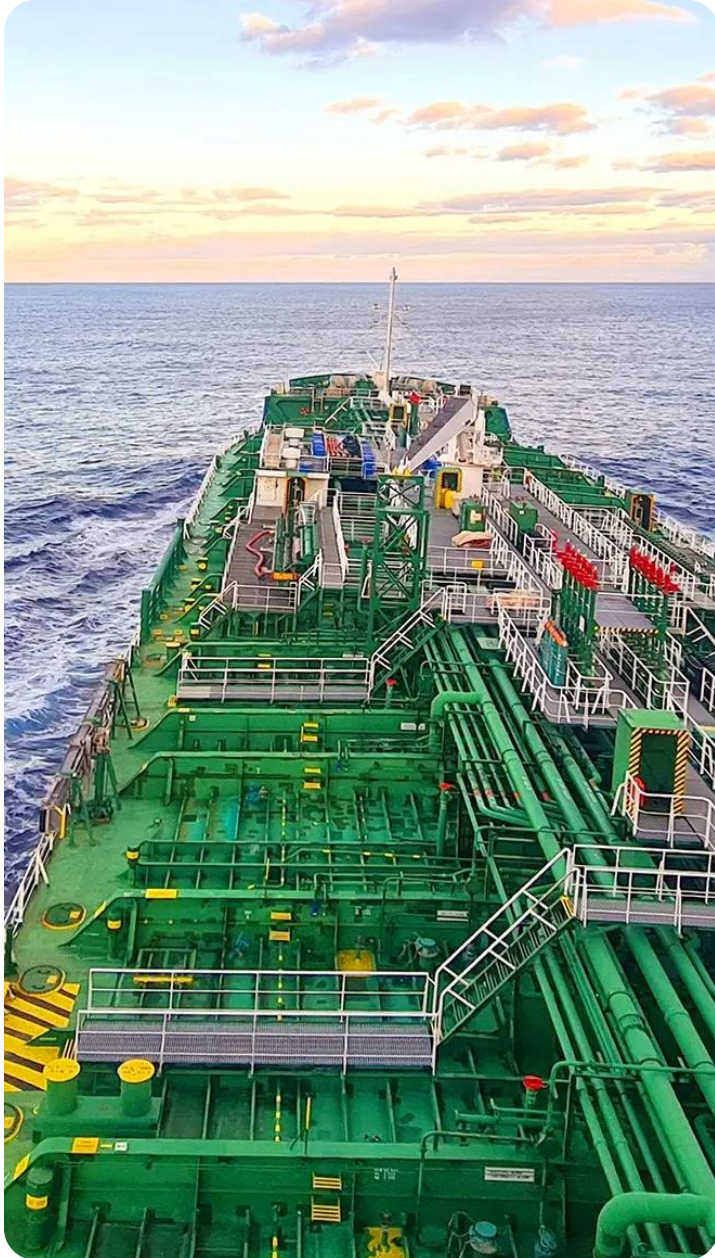

HOOBER
SANAT POUYA

Hooper was established and registered in 2021 with main office located in Tehran, Iran .We have accumulated a strong and healthy market trust through a simple principle that we follow. Hooper is among the leading supplier of Marine products in recent years.

We have been providing support and services to all major industries, contractors and Companies in the region.

Our mission at Hooper is to be a trusted and preferred supplier, providing exceptional goods that contribute to the success and efficiency of our clients in Marine industries. We aim to foster long-term partnerships by consistently exceeding expectations and adapting to the evolving needs of our customers.

Our Services

Product Sourcing and Supply

What We Supply

At Hoover, we are proud to offer a wide range of marine products, tailored specifically to meet the demands of the maritime industry. Leveraging our extensive network of trusted manufacturers, we ensure that all products sourced are of the highest quality and meet the rigorous standards of the marine sector. Our ability to provide efficient and reliable supply covers everything from store equipment to safety and navigation tools.

In the following slides, you will find a detailed list of the marine products we supply in store and spare category.

Supply Coverage Areas

With strong connections to global producers, we source directly from the point of origin worldwide and can deliver wherever we supply, ensuring competitive pricing and efficient service.. Our logistics network ensures efficient delivery to **China, UAE, and Singapore**, providing reliable supply for all your needs.
